# Welcome to TITUSVILLE

Titusville is the only place on the planet where space shuttles blast off, sea turtles nest and soothing sunrises give way to inviting surf. The contradiction of high-tech wonders of the space program and the natural beauty of the area places Titusville in a class by itself. Titusville is the neighbor to the Kennedy Space Center Visitor Complex, Merritt Island National Wildlife Refuge and Canaveral National Seashore.

Florida's Space Coast entices vacationers of all ages with activities including shuttle and rocket launches, surfing, bird watching, year-round golf, fantastic fresh and saltwater fishing and thrilling airboat rides.

This nostalgic area offers shops of all sorts including arts and crafts, clothing, consignment, flower and gift shops. You'll also find a nearby riverside park as well as several stellar restaurants.

Within one mile of downtown is the Titusville Municipal Marina with a ships store and a large seawall for viewing manatee and other exotic marine life.

## Hampton Inn Titusville Kennedy Space Center

Welcome to the  
Hampton Inn Titusville

Not only are we the closest beaches to Orlando, Titusville remains the only place in the world where you can watch a shuttle launch, take an eco tour by boat or helicopter, frolic on the beach and play a round of world-class golf - all on the same day.

So Pull Off the Highway at Exit 215 & Let Your  
Countdown to Adventure Begin!

# Area INFO

The Titusville area is unique, with three very distinct ecological environments. With the Atlantic Ocean on its east coast, the Indian River Lagoon, and the St. John's River bordering on the west - Titusville offers endless opportunities for nature lovers.

Whether you prefer to experience nature from a kayak on the Indian River Lagoon, hiking along the coastal ridge, or exploring the myriad of driving trails from the comfort of your air conditioned vehicle, it can all be found within minutes from your lodging.

# Area Attractions

Titusville is a natural attraction for visitors looking for adventure, fun in the sun and discovering the area's rich history. Enjoy the Indian River Lagoon and other area waterways. With more than 20 public parks, 5 golf courses, one-of-a-kind historical museums and a variety of marinas and boat ramps, the possibilities are endless. The Titusville area is the perfect place to surf, fish, or just play in the waves.

Space

Titusville, known as the launch pad for the Space Shuttles, has always been the top destination for the space enthusiast. Watching a shuttle or rocket launch from the shores of the Indian River Lagoon is a jaw-dropping spectacle that demonstrates the power and glory of America's space program.

Visitors can take bus tours and get a behind the scenes look at NASA's space program, take off on their own weightless adventure with the new shuttle launch experience, have lunch with an astronaut, tour a full-size shuttle and much more at the neighboring Kennedy Space Center Visitor Complex.

"It is our intent to honor the American Space Worker without whom no footprints would exist on the moon."

A cosmic journey touching the lives of all mankind...

In the heart of Titusville is the U.S. Space Walk of Fame Museum. Started by true space pioneers, this unique museum features interactive areas for kids, original launch consoles, and one-of-a-kind collectibles.
