Airboat Tours

Gator Park's professional guides will narrate your tour of the Everglades. Venture through tree-covered hammocks into the endless river of grass spotting alligators, birds, turtles and other native wildlife along the way. This unique natural ecosystem is a **must see** during your visit to South Florida.

Gator Wrestling & Wildlife Show

Enjoy an educational and entertaining show. See the barehanded technique used by the Indians to catch wild alligators. Experience native and exotic animals up close and have your photo taken with a live alligator.

Photo Opportunity

Don't forget your camera. Our tours and shows give you plenty of time to photograph birds, alligators and other endangered wildlife in their natural habitats.

Restaurant

Join us for lunch or a snack and dine outdoors in a tropical garden. Here you can try some of the native specialties...fresh gator tail, frog legs or southern catfish, just to name a few.

Gift Shop

Our shop has a large selection of native Indian crafts, leather goods and Everglades souvenirs.

Private Tours

If you prefer not to join a group, Gator Park's airboats are available for private, custom charters... an unforgettable adventure.

Visit Gator Park... and we'll be your guide to nature's "River of Grass," the Everglades.
